

# Year 11 Blogg

# Willow – Crew news

- Miss Coey's birthday was last week (The 1st of October) and took over as Crew lead.
- Freya's birthday is on the 10th of October.
- Mental Health day is also on the 10th of October.

# Oliver -Crew Name and Jigsaw

- In our crew our name holds a very deep meaning. It was thought of by Joe and was agreed on by everyone in the class. The 8 sided shape of an octagon represents the 8 people in our class and how we are all connected. We have also been making the crew jigsaw and that is when we each have a piece of a jigsaw that we put our name and a word that describes us on, we then joined them up to complete the jigsaw.

# Oliver – school subjects

In the past weeks we have learnt a lot in maths. We have been doing angles and have been measuring them and drawing them we then found angles in many different ways including around a point which was hard but we managed. In English we have been analysing a portion of the book IT and using to answer questions we will see on our exams we have been doing this so we can get practice for our exams. In science we have been doing different cycles and deforestation. We then had an exam to prepare us for our exams later in the year. In citizenship we have been doing devolution and budgeting within the UK.

# English-Sophia

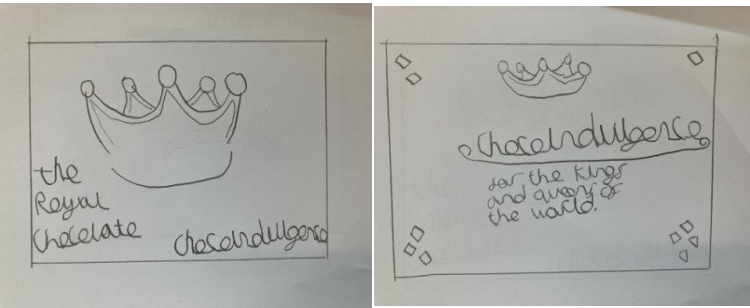

- In English on Friday we learnt about what the structure of a Jaffa cake is, as we were doing GCSE practice questions.
- There was a debate to weather a Jaffa cake was a cake or biscuit.

This is what we thought:

- Sophia-cake
- Freya-cake
- Oliver-biscuit
- Joe-biscuit
- Ren-cake
- Willow-neither
- Teigan-

# Joe – Creative Imedia

**I also experimented with different colours with my Visual Identity. Here's the ones I did earlier**

**In Creative Imedia we've been doing our R094 portfolios which is designing a Visual Identity for a high-end chocolate brand here's one I did earlier...**

**This is very important because this is a part of our GCSE's**

**I'm feeling confident about my progress so far.**

# Sophia and Freya - Adventure Sunderland Fencing

- Last week at Adventure Sunderland we did Fencing it was my first time, most of us were nervous but then we got the hang of it and had a great time.

# Sophia-Adventure Sunderland Rock Climbing

- The week before we did rock climbing as it was a miserable day we all really enjoyed it and had a great time.

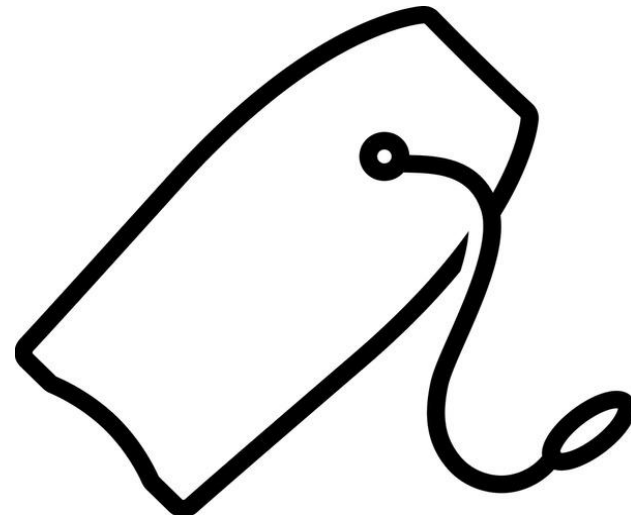

Freya was  
abseiling for  
Willow.

# Adventure Sunderland - Sophia

Then this week we did body boarding for the first time which was very fun and we had a really good time. The weather was dreadful which made it even more fun.

## *Fit to learn- Ren*

- They have now added just dance for fit to learn!!
- We have music, which I've been doing and a few others.
- You can do indoor or outdoor activities!
- Jewlery making is an option, make them into anything you like!
- Could chose chess, Test your skills and see who wins!
