

Welcome to the Year 11 Blog

Crew news-Oliver

Our Y11 crew is expanding as we are joined by two new people we are sure they will be lovely and fit into our crew. We are also excited to learn about health and wellbeing in crew as it is something that is beginning to become more relevant in our lives as we grow older. Teigan is expecting her dog Bella to have puppies at least 5 but it could grow to more.

Coming up... By Teigan

From the 13th – 15th of November we have our functional skills mocks, and our GCSE mocks are from the 25th – 29th. Willow states that she is "not even remotely worried" but some other students are nervous. Good luck everyone! :)

All students are going to see A Christmas Carol in Newcastle on the 14th of November and we're very excited!

Year 11 have our WAC day coming up on the 16th of December. Rumour has it that there might be a Christmas Bake off, which should be very competitive.

Mocks

-Revision

The first step to revision is finding out your strengths and weaknesses in certain subjects. For example, if you were horrible at Maths you wouldn't spend all your time revising English.

The next step would be finding appropriate revision material.

I'm unnecessarily wording this annoying on purpose but to dumb it down you could just use:

Seneca, NCFE, old test papers, flashcards, the work in your books.

Anything lesson-related would work.

The single most important thing to remember when revising is to do it in moderation. Don't overwork yourself and remember to take breaks.

Adventure Sunderland-Sophia and Freya

This week we did archery we all really enjoyed it and everyone took part.

Men's mental health day – Renith the 1st

- For the month of November, our focused campaign is Men's health and Mental health Awareness. This campaign ties in with both International Men's Day UK Tuesday, 19 November and Movember.
- These campaigns aim to bring awareness to a wide range of men's health and mental health issues. International Men's Day UK provides a platform to focus on the wellbeing of men and boys, support charities and hold a positive conversation around men's health and mental health. 'Movember' takes place every November, to raise awareness and funds for men's mental health, suicide prevention, prostate cancer and testicular cancer.

Bonfire Night - Joe

On the night of the 5th of November 1605, 36 barrels of gunpowder were discovered hidden behind a pile of firewood in a storeroom beneath the Palace of Westminster. With them, guards found a man calling himself John Johnson.

They found fuses in Johnson's pockets, and swiftly arrested him. He held out for days under the pain of intense torture, but eventually he confessed.

His real name was Guy Fawkes and he, along with his fellow plotters, hoped to spark a Catholic uprising by blowing up parliament and everyone in it - including King James I and many of his leading nobles.

***THIS WAS THE YEAR 11
BLOG, HOPE YOU
ENJOYED!!
HAVE AN AMAZING
WEEKEND!***
