Vision Statement

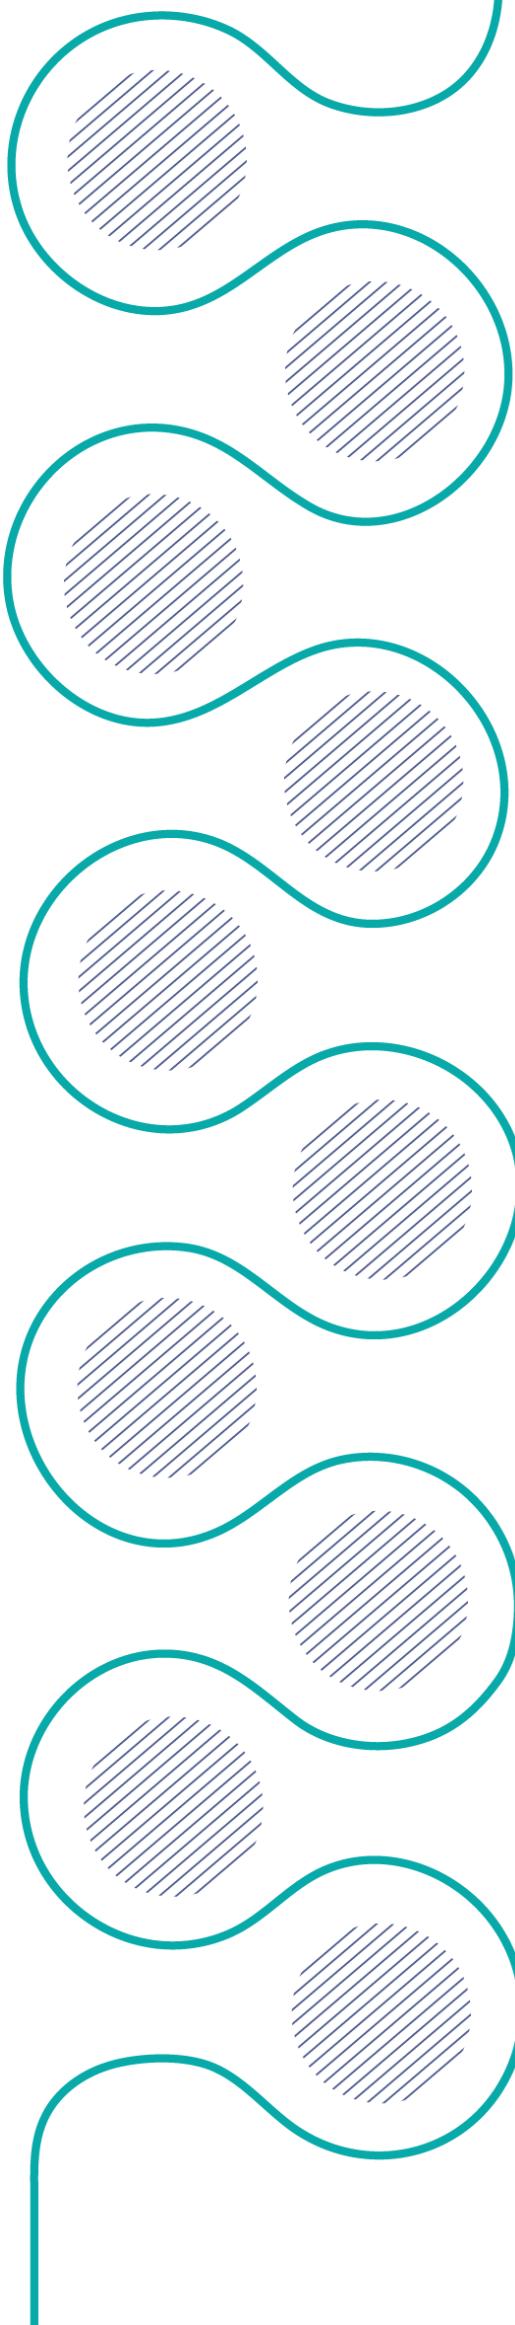

Our vision is to equip every student with the knowledge, skills, and experiences necessary to make informed career choices and succeed in their chosen paths. We aim to foster a culture of continuous learning, adaptability, and resilience, preparing students to thrive in a dynamic and evolving job market.

Key Decision Points

Year 11

Focus: Finalising Plans and Applications

- Finalize decisions on post-16 education and career plans.
- Prepare and submit applications for further education or training programs.

Year 10

Focus: Experience and Decision Making

- Gain work experience through internships or job shadowing.
- Make informed decisions about post-16 education options (A-levels, vocational courses, apprenticeships).

Year 9

Focus: Research and Planning

- Research different career paths and the qualifications needed.
- Start considering subject choices for GCSEs.

Year 8

Focus: Self-Discovery and Skill Development

- Begin identifying personal strengths and interests.
- Start developing soft skills such as teamwork, communication, and problem-solving.

Year 7

Focus: Exploration and Awareness

- Introduction to various careers through school programs and guest speakers.
- Encourage participation in extracurricular activities to discover interests and strengths.

This journey aims to provide a structured approach to career education, helping students and families make informed decisions at each stage. If you have any specific needs or questions, feel free to ask!
