

### **ADVERSE WEATHER / CLOSURE POLICY**

Learning is at the heart of everything we do, however health & safety is our number priority, at all times. In the event of extreme weather conditions or an emergency closure see below:

#### **ACADEMY OPEN**

1. The Academy will OPEN providing all reasonable measures are put in place to do so safely.
2. If the Academy is open, we would encourage students to attend wherever possible, but as road conditions vary, parents must make the final decision on whether it is safe for their child to travel.

#### **ACADEMY CLOSED**

1. A notice will be posted on the Academy's website - [Consilium Evolve - Home](#) by 7.30am or as soon as possible thereafter. Following the decision to close, a school comms message (via text through Arbor) will be sent to parents.
2. Local radio stations will broadcast details of all closures so please tune in. (please note: radio stations are inundated with calls at peak times and will only accept school closure notices. They will not broadcast a list of schools that are OPEN). For up-to-date information please see the following web pages/radio stations -
