

Consilium Evolve

Enriching Lives, Inspiring Ambitions

Dear Parent/ Carer,

On Wednesday 17th April 2024 we would like to invite you to a Community Day at Evolve with two organisations that we are excited to be working with.

Programme for the day:

10.00am - 12:00pm: Daisy Chain.

Daisy Chain support and empower autistic and neurodivergent individuals and their families through the provision of holistic services, whilst promoting training, wellbeing, inclusion and acceptance regionally and nationwide. During this session, Daisy Chain will deliver an 'Overwhelm, Meltdown and Shutdown' workshop, during which they will share practical strategies and explain their services. This session will be parent-focussed and will provide a confidential space in which parents can share any struggles they may be experiencing with their child at home.

12:00pm – 12:30pm: Refreshments

12.30pm - 1:30pm: Lumi.

Lumi is a digital companion that helps parents understand, talk to and feel more confident to support their children with mental health. During this session, they will explain a bit more about the Lumi platform, the services they offer, practical strategies and professional guidance available.

1:30pm – 3:00pm: Year 11 parent's meetings

We would like to invite parents of our year 11 students to attend parent's meetings with subject teachers between 1:30pm and 3:00pm. Students will be given an appointment table and will liaise with subject teachers to schedule the times you require.

If you would like to attend our Community Day and/or Year 11 parent's meetings, please could you complete the form sent out to you via SIMS Text Message.

Yours faithfully,

Mr R Bell
